Re: Catherine Gonzalez v. The New York City Transit
Authority, the Metropolitan Transportation Authority
The Manhattan and Bronx Surface Transportation Operating
Authority, and Mervin G. Reovan
Docket No. 22-cv-5414
Our File No: 459-HO1

Dear Judge Abrams:

Our office represents the Plaintiff. I am writing to request a 30-day extension of time to oppose the Defendant's motion to dismiss filed on November 7, 2022. I was out of the office a couple of days this week and have not had an opportunity to oppose the motion due to depositions on the 8th and 11th. On November 15, 2022, I am scheduled to have shoulder surgery, and while I hope to only be out for a couple of days, I may need more time. This is the first request for an extension to oppose this motion.

I spoke with Mr. Zinonos, counsel for the Defendants, and he consented. Mr. Zinonos asked if I would consent to three weeks for them to reply and I also consented to that extension.

It is respectfully requested that this letter request for an enlargement of time, both for Plaintiff's opposition and Defendant's reply be granted. The proposed dates are as follows: Opposition is due on December 14, 2022, and reply on January 4, 2023.

Thank you for your time and consideration in this matter.
